Placing an order in advance will reserve a bundle for our child at the specified location and time on the form. No, the child does not need to be present, but we will ask for their name and age to meet our program rules.

**How much do the 5-Day Meal Bundles cost?**

On August 31, 2020, the USDA extended the nationwide waiver to allow free meals to all children ages 18 and younger. This waiver is currently extended through December 31, 2020.

**Will I be charged for a 5-Day Meal Bundle if I order one but do not show up?**

No, you will not be charged. All 5-Day Meal Bundles are free. If you order a bundle and then need to cancel, you may email us at [summermeals@ccs.k12.nc.us](mailto:summermeals@ccs.k12.nc.us).

**Do I still need to apply for Free or Reduced Meals?**

Yes. Although it is not necessary for the meal bundles available through December 31, 2020, it will be needed to qualify for free or reduced meals starting January 1, 2021. The number of enrolled students qualifying for free and reduced meals influences the funding available to the school system through other sources. So it is an important activity. Please fill out an application for this year at <https://www.lunchapplication.com> (Paper applications are available by request.) Completing an application may also allow your family to access other benefits.

**If my child gets a 5-Day Meal Bundle, can they also get meals at a curbside daily serving site?**

No, the USDA guidelines state that each child may receive one breakfast and one lunch per day at no charge. If a child has received a 5-Day Meal Bundle, that child cannot pick up a meal at a curbside location for those 5 days.
